"Il est entendu et convenu que le prix susmentionné de deux cent quinze dollars ($215.00) la tonne, poids mort établi, est déterminé et convenu sur l'entente que le ministre s'est engagé par contrat et a consenti à fournir aux entrepreneurs tout l'acier nécessaire à la construction desdits vaisseaux au prix de base, aux aciéries, de trois cents et un quart (3¼) la livre; et il est de plus convenu que si ledit prix de l'acier augmente ou baisse le prix des vaisseaux tel qu'établi au paragraphe précédent de la présente clause sera modifié en conséquence."

Sous l'empire des stipulations de cet article le ministère a acheté de l'acier qu'il a fourni aux entrepreneurs au prix stipulé de trois cents et un quart (3¼) la livre, ajoutant à ce prix le montant du change nécessairement exigé sur le numéraire américain avec lequel il a fallu solder les achats d'acier, ledit acier ayant été obtenu des aciéries américaines. Toutefois, les entrepreneurs prétendent que, aux termes de l'article cité plus haut, ils ne sont pas tenus de payer le montant du change en question.

Je serais très heureux de connaître votre opinion à ce sujet, savoir si le ministère était justifié d'exiger des entrepreneurs le montant du change américain, ou si lesdits entrepreneurs ont raison de prétendre que la phraséologie de l'article cité n'implique de leur part aucune obligation de payer cet acier au taux de trois cents et un quart (3¼) la livre plus le montant du change.

Cette affaire étant plutôt urgente, je vous serais très obligé de me faire tenir l'opinion demandée le plus tôt possible.

Je demeure, de monsieur, le tout dévoué,

A. R. TIBBITS, *S.-M. A. S.*

Construction de vaisseaux pour le gouvernement canadien

MONSIEUR,—Pour faire suite à ma lettre du 9 du courant, au sujet de l'interprétation d'un article contenu dans certains contrats relatifs à la construction maritime et établissant le taux de paiement de l'acier fourni aux entrepreneurs par le ministre, et aussi pour répliquer à votre lettre du 13 (2558/20), je vous fais tenir sous ce pli, conformément à votre demande, une copie d'un des contrats au complet dans lequel vous trouverez l'article en question.

Quant à votre demande, savoir si, au moment où le contrat fut signé, les entrepreneurs savaient que le ministre aurait à s'adresser aux aciéries américaines pour se procurer l'acier nécessaire à la construction de ces vaisseaux, je dois vous déclarer que nous n'avons pas de dossiers qui puissent nous permettre de vous donner une réponse définitive, sauf les termes du contrat lui-même. On peut bien supposer qu'il en était ainsi, car, à cette époque, on ne fabriquait pas au Canada des plaques d'acier pour la construction de vaisseaux, et la source d'approvisionnement la plus commode à ce mo-

States. At this time also, the rate of exchange for American funds was comparatively low, and the probability of its increasing to anything like the present rate was not thought of.

With the complete contract terms now available to you, the Department trusts it may be favoured with your early opinion on the point requested.

Kindly return the contract with your reply.

I have the honour to be, sir your obedient servant,

A. R. TIBBITS, *Acting A.D.M.*

Department of Justice, Ottawa, December 17, 1920.

Sir,—Referring to your letters of 9th and 15th instant (47030. No. B. 932), I am of opinion that the contractors are right in their contention that the form of contract accompanying your letter of 15th instant, and herewith returned, does not entitle the Minister to charge them with the amount of the exchange on the necessary United States currency in which payment for the steel in question had to be made.

I have the honour to be, sir, your obedient servant,

Reconditioning "Canadian Fisher" and "Canadian Forester"

Audit Office, Ottawa, January 12, 1921.

Sir,—Before passing your application of the 5th instant for a cheque for $51,000 in favour of Tidewater Shipbuilders, Limited, being the fifth instalment under their contract for reconditioning the Government cargo steamer "Canadian Fisher", I should like to be informed of the provision you have made at the Halifax Shipyards, where the work of reconditioning is under way, to ascertain the actual expenditure for material and labour.

As you are aware this information will be necessary in the final adjustment of the Company's claim.

Have you any information as to the agreement between the Tidewater Shipbuilders and the Halifax Shipyards in this matter?

Vous avez maintenant à votre disposition les contrats litigieux au complet, et le ministère ose espérer qu'il sera favorisé de votre opinion sur le point soulevé dès vos premiers moments de loisir.

Prière de retourner le contrat avec votre réplique.

MONSIEUR,—Pour répliquer à vos lettres du 9 et du 15 du courant (47030 N° B. 932), je suis d'avis que les entrepreneurs ont raison de prétendre que la formule de contrat accompagnant votre lettre du 15, et que je vous retourne sous ce pli, ne donne aucun droit au ministre intéressé de leur faire verser le montant du change imposé sur le numéraire américain au moyen duquel il a fallu solder les achats d'acier dont il est question.

MONSIEUR,—Avant de donner suite à votre requête du 5 du courant relativement à l'émission d'un chèque au montant de $15,000 en faveur de la *Tidewater Shipbuilders, Limited,* effectuant ainsi le cinquième versement indiqué aux termes du contrat relatif à la remise en état du *Canadian Fisher,* je vous demanderais de me faire savoir jusqu'à quel point on a prévu aux chantiers maritimes de Halifax où l'on opère actuellement cette remise en état, et cela en vue d'établir la somme des frais impliqués par le matériel et la main-d'œuvre.

Comme vous le savez, nous avons besoin de ces renseignements avant de faire définitivement droit aux réclamations de la compagnie.

De plus, est-ce que vous savez quelque chose de l'entente conclue entre la *Tidewater Shipbuilders* et la *Halifax Shipyards* à ce sujet?

Application for Payment of Steel Plates under Contract with Dominion Iron and Steel Co.

AUDIT OFFICE, OTTAWA, April 6, 1921.

SIR,—With reference to your application of the 31st ultimo for a cheque of $90,439.88 in favour of the Dominion Iron and Steel Company, Limited, being amount claimed for steel plates rolled at the Company's mill at Sydney, N.S. under a contract dated December 10, 1919, I beg to point out that the contract in question has been cancelled by Order in Council P.C. 455 dated February 18, 1921, "the Government accepting its liability for reasonable compensation to the Company for the loss which in the circumstances will be incurred by reason of the cancellation of orders to which under the stipulation of the contract the company is entitled".

The plates for which payment is claimed are in stock at Sydney and as under the contract payment is not due until they have been delivered f.o.b. cars at Sydney or f.o.b. steamer at Sydney or Louisburg it seems to me it will be more in accordance with the cancelling Order in Council to postpone payment of this claim until the compensation referred to therein is under consideration.

I return your application and the vouchers attached thereto. The latter you will notice are not certified by Lloyd's inspector or other inspector named by the Minister as called for by the contract.

SIR,—I am in receipt of your favour of the 6th instant, relative to our application of the 31st ultimo, for a cheque of $90,439.88, in favour of the Dominion Iron & Steel Company, Limited, to cover steel plates rolled for this Department at Sydney.

In explanation of this application I may state that the Dominion Iron & Steel Company, Ltd., were pressing the Department for orders for steel plates to keep the mill running. No orders however, could be obtained from shipbuilders, and as the Department was compelled by the terms of the contract to supply specifications an

J'ajouterai que malgré le fait que ces travaux de remise en état se font à Halifax à l'heure actuelle, le contrat reste toujours entre le ministère et la *Tidewater Shipbuilders, Limited* et repose encore sur la base qui implique le temps et le matériel plus 15 pour 100 de profit.

Demande du paiement de feuilles d'acier achetées aux termes d'un contrat conclu avec la Dominion Iron and Steel Co.

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 6 avril 1921.

MONSIEUR,—En réponse à votre lettre du 31 mars dans laquelle vous demandez qu'un chèque de $90,439.88 soit émis en faveur de la *Dominion Iron and Steel Company, Limited,* en payement de la somme que réclame la compagnie pour des feuilles d'acier préparées à sa laminerie de Sydney, N.-E., aux termes d'un contrat signé le 10 décembre 1919, je vous prie de remarquer que le contrat en question a été annulé en vertu du décret ministériel, C.P. 455, du 18 février 1921, où "le gouvernement accepte sa responsabilité d'une compensation raisonnable à la compagnie pour la perte qui dans les circonstances sera subie par suite de la révocation de commandes auxquelles la compagnie a droit, aux termes du contrat".

Les feuilles dont on réclame le payement sont en magasin à Sydney; comme le payement n'est dû, selon le contrat, que lorsque les feuilles ont été livrées sur chemin de fer à Sydney ou sur navire à Sydney ou Louisburg il serait plus conforme, je crois, aux dispositions du décret de décommandement, de différer ce payement jusqu'à ce qu'on ait fixé le chiffre de la compensation mentionnée dans le décret.

Je vous renvoie votre demande et les pièces justificatives qui l'accompagnent. Vous remarquerez que ces dernières n'ont été attestées ni par l'inspecteur de Lloyd's ni par un autre inspecteur nommé par le ministre ainsi que le prescrit le contrat.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G.A.*

M. A. JOHNSTON,

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, OTTAWA, le 19 avril 1921.

MONSIEUR,—J'accuse réception de votre faveur du 6 avril en réponse à notre demande du 31 mars pour un chèque de $90,439.88 en faveur de la *Dominion Iron & Steel Company, Limited,* en payement de feuilles d'acier laminées à Sydney pour le compte de ce ministère.

order was placed with the Steel Company for one thousand tons to be rolled to one of the Department's standard specifications. This order was placed with the understanding that the Steel Company would store the material in their yard at Sydney until the Department could dispose of it. You will readily understand that this steel could not be loaded on cars until the Department secured orders for the delivery of it. The company loads the plates free of charge when orders are issued on them by the Department. Up to date approximately 300 to 350 tons of the plates have been disposed of and shipped and it is expected that the balance of the steel on hand will be disposed of within the next few months.

As the material is rolled and held to the order of the Department at Sydney, it does not seem fair to defer payment until the whole of the plates have been sold by the Department.

I am enclosing herewith the application and vouchers covering the transaction, and I trust you will see your way clear to have the cheque issued.

Yours very respectfully,

GEO. H. FLOOD, *Purchasing & Contract Agent.*

Assistant Auditor General.

AUDIT OFFICE, OTTAWA, April 27, 1921.

SIR,—I beg to acknowledge the receipt of Mr. Flood's letter of the 19th instant in explanation of your application of the 31st ultimo for a cheque of $90,439.88 in favour of the Dominion Iron and Steel Company for steel plates rolled at the Company's mills at Sydney under a contract with the Government of Canada dated December 10, 1919.

As pointed out in my letter of the 6th instant this contract has been cancelled by Order in Council P.C. 455 dated February 18, 1921, in which provision is made for the acceptance of reasonable compensation to the Company for any loss which may be incurred.

I am of opinion therefore that the cheque asked for should not issue and any compensation that the Company may claim is a matter for future adjustment.

I return your application and the vouchers attached thereto.

Interest Claim on Deferred Payment on Boilers for Ships at Prince Rupert

AUDIT OFFICE, OTTAWA, May 25, 1921.

SIR,—With reference to your application of the 23rd instant for a cheque of $42,423.64 in favour of the Vulcan Iron Works being a balance due on six boilers ordered by the Prince Rupert Dry Dock and Engineering Company for the Government steamers *Canadian Scottish* and *Canadian Britisher* under course of construction at Prince Rupert, I beg to point out that the Prince Rupert Company was

Pour expliquer ma demande je puis vous dire que la *Dominion Iron & Steel Company, Limited,* avait insisté auprès du ministère pour obtenir des commandes de feuilles laminées afin d'éviter l'obligation de fermer sa laminerie. On ne pouvait alors obtenir aucune commande des constructeurs maritimes et comme le département était, aux termes du contrat, dans l'obligation de fournir des spécifications nous avons commandé à la compagnie mille tonnes de feuilles laminées en conformité d'une des spécifications standard du département. Il était entendu que la compagnie emmagasinerait ce matériel à Sydney jusqu'à ce que le ministère trouve l'occasion de l'écouler. Vous comprenez qu'on ne pouvait charger cet acier sur les wagons de chemin de fer tant que le ministère n'aurait pas reçu la demande de sa livraison. La compagnie fait elle-même gratuitement le chargement des feuilles lorsque le ministère lui envoie des demandes de livraison. On a déjà vendu et expédié entre 300 et 350 tonnes de ces feuilles et on croit que le reste de cet acier sera vendu d'ici quelques mois.

Comme ces feuilles sont laminées et réservées à Sydney à la disposition du ministère il ne semble pas juste d'en différer le payement jusqu'à ce qu'elles aient été toutes vendues par le département.

Je vous adresse sous ce pli la demande et les pièces relatives à cette transaction et j'espère que vous jugerez convenable d'émettre le chèque en question.

Votre bien dévoué,

GEO. H. FLOOD,

A l'Auditeur général adjoint. *Agent des achats et des contrats.*

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 27 avril 1921.

MONSIEUR,—J'accuse réception de la lettre de M. Flood en date du 19 avril où il explique votre demande du 31 mars d'un chèque de $90,439.88 en faveur de la *Dominion Iron and Steel Company* en payement de feuilles d'acier laminées aux usines de la compagnie à Sydney selon les termes d'un contrat conclu le 10 décembre 1919 avec le gouvernement du Canada.

Ainsi que je l'ai signalé dans ma lettre du 6 avril ce contrat a été révoqué par le décret ministériel, C.P. 455, du 18 février 1921, où le gouvernement accepte la responsabilité d'une compensation raisonnable de toute perte conséquente subie par la compagnie.

Je suis donc d'avis que le chèque demandé ne doit pas être émis; toute compensation que la compagnie peut réclamer doit faire l'objet d'un règlement ultérieur.

Je renvoie votre demande et les pièces qui l'accompagnent.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

Réclamation d'intérêts sur payements différés: chaudières pour navires, Prince-Rupert

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA, le 25 mai 1921.

MONSIEUR,—Touchant votre lettre du 23 mai dans laquelle vous demandez qu'un chèque pour la somme de $42,423.64 soit émis en faveur des *Vulcan Iron Works* pour solder le paiement de six chaudières commandées par la *Prince Rupert Dry Dock and*

paid for these boilers under the 8th instalment of their contract on May 21 and July 26, 1920 respectively.

According to the certificates sent me in support of the 8th instalment—$160,380 for each of the two steamers—the boilers were completed and tested prior to the dates of payment.

The Prince Rupert Company has since gone into liquidation and the Government has entered into a new contract with the Wallace Shipyards, Vancouver, for the completion of the two ships.

Though the boilers were completed and ready for shipment in July 1920 the Prince Rupert Company did not take delivery of them at the time, presumably for the reason that, the Company was not in a position to pay the full amount of their contract with the Vulcan Works.

The Vulcan Works now claim interest and insurance on a balance of $37,680, due them by the Prince Rupert Company, from the date of assignment to April 30, 1921, amounting to $4,348.13.

If the Department on behalf of the Government felt obliged to assume responsibility for the balance due the Vulcan Works why was not delivery taken of the boilers at the time of the assignment by the Prince Rupert Company and thus have provided against any claim for interest and insurance?

It is not, I think, the practice of the Government to allow interest claims in transactions of this nature.

I am holding your application until I hear from you.

I am, sir, your obedient servant,

E. D. SUTHERLAND, *A.G.*

A. Johnston, Esq.,
Deputy Minister, Marine and Fisheries, Ottawa.

Department of Marine, Ottawa, May 26, 1921.

Sir,—I have your letter of the 25th instant, with reference to the application of this Department for a cheque for $42,423.64 as payment for six boilers which the Department is purchasing from the Vulcan Iron Works, Ltd., of Vancouver, B.C., for installation in the two ships which are being completed at Prince Rupert, B.C., to our order.

With regard to this transaction I have the honour to inform you that although the Prince Rupert Drydock and Engineering Company, Ltd., was paid an installment, on their contract for these two steamers on account of the boilers being completed and tested, the Vulcan Iron Works who had accepted an order from the contractors to build these six boilers, had not been paid in full for them. When the bankruptcy of the Prince Rupert Drydock and Engineering Company, Ltd., took place the liquidator of the estate claimed an equity in these boilers to the amount paid by the insolvent Company, which was $56,520, on account of the full purchase price of $94,200. The Department declined to recognize that the liquidator had any equity in the boilers and set about to acquire them from the builders for the balance of the purchase price, which amounts to $37,680. The builders—Messrs. Vulcan Iron Works, Ltd.—stated that they had filled their part of the agreement with the Prince Rupert Drydock and Engineering Company, Ltd., but were instructed by that Company in June and September, 1920, not to ship the boilers, consequently a claim for interest, storage and insurance, which the Vulcan Iron Works, Ltd., had to carry, arose.

Engineering Company pour les navires de l'Etat *Canadian Scottish* et *Canadian Britisher* en voie de construction à Prince-Rupert, je dois vous signaler que le 8e versement remis à la compagnie aux termes de son contrat lui a payé ces chaudières, le 21 mai et le 26 juillet 1920 respectivement.

D'après les certificats qu'on m'a transmis à l'appui du huitième versement—$160,380 pour chacun des deux navires—les chaudières étaient terminées et avaient subi toutes les épreuves avant la date du payement.

Depuis ce temps la compagnie de Prince-Rupert est entrée en liquidation et le gouvernement a conclu un nouveau contrat avec les *Wallace Shipyards* de Vancouver pour le parachèvement de ces deux navires.

Bien que les chaudières fûssent terminées et prêtes à expédier au mois de juillet 1920 la compagnie de Prince-Rupert n'en a pas demandé la livraison alors, supposément parce qu'elle n'était pas en mesure de solder en entier son compte avec les usines Vulcan.

Aujourd'hui les usines Vulcan réclament les intérêts et assurances sur une balance de $37,680, qui leur est due de la compagnie de Prince-Rupert, depuis la date de la cession des biens jusqu'au 30 avril 1921; ces charges s'élèvent à $4,348.13.

Si le ministère, au nom du gouvernement, se croyait obligé d'assumer la responsabilité de la balance due aux usines Vulcan pourquoi ne pas avoir fait livrer les chaudières lors de la cession des biens de la *Prince Rupert Dry Dock and Engineering Company*, démarche qui aurait évité toute demande d'intérêt et d'assurance?

Je crois que le gouvernement n'admet pas, d'habitude, des demandes d'intérêt en affaires de ce genre.

Je réserve votre demande dans l'attente d'une réponse.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

Sous-ministre de la Marine et des Pêcheries, Ottawa.

MINISTÈRE DE LA MARINE, OTTAWA, le 26 mai 1921.

MONSIEUR,—J'ai votre lettre du 25 courant au sujet de la requête de ce ministère pour un chèque, à notre ordre, de $42,423.64 étant le paiement de six chaudières à vapeur que le ministère achète de la *Vulcan Iron Works, Ltd.*, de Vancouver, C.-B., et qui doivent être installées dans les deux navires dont on est à terminer la construction à Prince-Rupert, C.-B.

Au sujet de cette transaction j'ai l'honneur de vous informer que, malgré le fait que la *Prince Rupert Drydock and Engineering Company, Ltd.*, ait reçu un versement sur leur contrat pour ces deux navires pour ces chaudières lorsqu'elles furent terminées et éprouvées, la *Vulcan Iron Works* qui avait accepté la commande des entrepreneurs pour la construction de ces six chaudières n'avait pas été payée au complet pour leur travail. Lorsque la faillite de la *Prince Rupert Drydock and Engineering Company, Ltd.*, eut lieu, le liquidateur de la succession réclama un droit en équité sur ces chaudières égal au montant payé par la compagnie en faillite, soit $56,520, en à-compte du prix d'achat qui était de $94,200. Le ministère refusa de reconnaître que le liquidateur avait des droits en équité au sujet de la propriété de ces chaudières et prit des mesures en vue de les acquérir des constructeurs pour la balance du prix d'achat, soit $37.680. Les constructeurs—la *Vulcan Iron Works, Ltd*—déclarèrent qu'ils avaient rempli leur part de la convention avec la *Prince Rupert Drydock and Engineering Company, Ltd.*, mais que cette dernière compagnie leur avait donné instruction, aux

The matter was placed in the hands of Mr. R. L. Reid, K.C., agent of the Department of Justice in Vancouver, who, after going thoroughly into the question, advised the Department that in his opinion the Vulcan Iron Works, Ltd., were entitled to the amount of their claim, which totals $42,423.64. The Vulcan Iron Works, Ltd., are selling to the Department for the amount of their lien against the boilers under the Sale of Goods Act.

In the light of this information I would ask you, therefore, to be good enough to pass the application as the ships are ready to have the boilers installed and arrangements have been concluded for their shipment to Prince Rupert.

mois de juin et septembre 1920, de ne pas expédier les chaudières, et le résultat a été une réclamation pour frais d'intérêt, emmagasinage et assurance que la *Vulcan Iron Works, Ltd.*, eut à encourir.

La question a été confiée à M. R. L. Reid, C.R., l'agent du ministère de la Justice à Vancouver qui, après avoir étudié cette matière parfaitement avisa le ministère que, dans son opinion, la *Vulcan Iron Works, Ltd,* avait droit au montant de sa réclamation, soit $42,423.64. La *Vulcan Iron Works, Ltd.* effectue la vente au ministère pour le montant de leur gage contre les chaudières sous le régime de la loi concernant la vente des marchandises.

Avec ces renseignements pour vous éclairer, je vous demanderais, par conséquent, d'être assez bon d'agréer notre requête vu que les navires sont prêts pour l'installation des chaudières et que les arrangements sont terminés en vue de leur expédition à Prince-Rupert.

J'ai l'honneur de me souscrire, votre obéissant serviteur,

Monsieur,—Depuis quelque temps je n'ai reçu de la part de la Commission des Achats aucun rapport ni aucune approbation relatifs aux achats effectués par votre ministère ou aux contrats donnés pour les fournitures.

Vous n'êtes pas sans savoir, je crois, qu'un décret ministériel, C.P. 1077 du 4 avril 1921 maintient en vigueur, sous réserve de certaines modifications et définitions, le décret antérieur, C.P.1561 du 12 juillet 1920, créant une Commission des Achats par l'entremise de laquelle tous les ministères sont tenus de faire tous leurs achats de matériaux, etc.

SIR,—I beg to bring to your notice my letter of June 21, 1921, calling your attention to several cheques in the May statement of expenditure issued under your Letter of Credit during that month in favour of the Receiver General and asking for the reasons for having issued them, and to point out that so far I have not received your reply.

I shall be obliged if you will give this matter your early attention.

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, October 18, 1921.

SIR,—I beg to acknowledge receipt of your letter of the 29th ultimo calling attention to several cheques in the May statement of expenditure issued under our letter of credit during that month in favour of the Receiver General and asking for the reason for having issued them.

In reply I have to state that it has been customary to charge to the Maintenance Vote, Stores Account, material which was destined for other services, crediting Maintenance Stores as the material was used by the different services.

At the end of last fiscal year our maintenance vote being overdrawn it was deemed advisable to charge to the various services the material which had been paid out of maintenance but was destined to other services. Instead of having transfers made, as the fiscal year was about to close, we had a statement made by our agents of the quantity and value of material, and issued cheques chargeable to various votes and credited same to maintenance.

I am, sir, your obedient servant,

E. HAWKEN, *Assistant D.M.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, October 19, 1921.

SIR,—I beg to acknowledge the receipt of your letter of the 18th instant in explanation of certain cheques issued under your Letter of Credit during the month of May 1921, in favour of the Receiver General and to point out that you have not informed me the disposition made of these cheques.

So far as I can ascertain the cheques were credited to the vote for Maintenance of the fiscal year 1920-21 and debited to the vote for 1921-22.

If the cheques were so disposed of please let me know your authority for having done so. You are of course aware that an appropriation for the fiscal year 1920-21 is not applicable to expenditure incurred in a subsequent year.

Please send me a certified copy of the statement made out by your agents which you mention in your letter of the 18th instant.

I am, sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

E. HAWKEN, Esq.,
Asst. Deputy Minister,
Marine and Fisheries, Ottawa.

Bureau de l'Auditeur général, Ottawa, le 29 septembre 1921.

Monsieur,—J'ai l'honneur d'attirer votre attention sur ma lettre du 21 juin 1921 au sujet de plusieurs chèques du relevé des déboursés pour le mois de mai émis en vertu de votre lettre de crédit au cours du mois susdit en faveur du receveur général et vous demandant les raisons de leur émission, et de vous faire remarquer que je n'ai pas encore reçu votre réponse.

Je vous aurai beaucoup de reconnaissance si vous voulez bien y voir bientôt.

Je demeure, monsieur, votre obéissant serviteur,

Wm. KEARNS, *A.G. A.*

M. A. Johnston,
Sous-ministre, Marine et des Pêcheries, Ottawa.

Ministère de la Marine et des Pêcheries, Ottawa, 18 octobre 1921.

Monsieur, — J'accuse réception de votre lettre du 29 du mois dernier attirant l'attention sur différents chèques dans le relevé de la dépense de mai émise en vertu de votre lettre de crédit au cours du mois susdit en faveur du receveur général, et demandant les raisons de leur émission.

Je dois vous dire en réponse que la coutume a été jusqu'ici de débiter au crédit de l'entretien, compte d'approvisionnements le matériel destiné à d'autres services, créditant ensuite le compte des approvisionnements pour l'entretien au fur et à mesure que le matériel était employé dans les différents services.

A la fin du dernier exercice, comme notre crédit de l'entretien avait été soutiré il a été jugé à propos de débiter aux différents services le matériel qui avait été soldé à même le crédit de l'entretien mais qui était destiné à d'autres services. Au lieu de faire faire les transferts, comme la fin de l'exercice approchait, nous avons demandé à nos agents de préparer un relevé de la quantité et de la valeur du matériel, et nous avons émis des chèques à imputer sur les divers crédits que nous avons crédités au crédit de l'entretien.

Je demeure, monsieur, votre obéissant serviteur,

E. HAWKEN, *Sous-ministre adjoint.*

L'Auditeur général, Ottawa.

Bureau de l'Auditeur général, Ottawa, 19 octobre 1921.

Monsieur, — J'ai l'honneur d'accuser réception de votre lettre du 18 courant m'expliquant l'émission de certains chèques en vertu de votre lettre de crédit au cours du mois de mai 1921, en faveur du receveur général, et de vous faire remarquer que vous ne m'avez pas renseigner sur la manière dont vous avez disposé de ces chèques.

Autant que je puis m'en assurer les chèques ont été crédités au crédit pour l'entretien de l'exercice 1920-21 et débité au crédit de 1921-22.

Si c'est ainsi que vous avez disposé de ces chèques, veuillez me faire connaître en vertu de quelle autorisation cela a été fait. Vous savez sans doute qu'un crédit pour l'exercice 1920-21 ne peut être appliqué à la dépense d'une année subséquente.

Veuillez m'envoyer une copie certifiée de l'état préparé par vos agents que vous mentionnez dans votre lettre du 18 courant.

Je demeure, monsieur, votre obéissant serviteur,

Wm. KEARNS, *Auditeur général adjoint.*

M. E. Hawken,
Sous-ministre adjoint,
Marine et Pêcheries, Ottawa.

DEPARTMENT OF THE NAVAL SERVICE, OTTAWA, May 10, 1921.

SIR,—With reference to your letter of the 4th instant, directing my attention to the absence of Certificates of the Purchasing Commission in connection with expenditures of this Department during recent years, and requesting to be informed as to reasons for making purchases irrespective of the Purchasing Commission's Certificate, I beg to advise you that Chapter 43, an Act in respect of the Naval Service of Canada, and cited as "The Naval Service Act," provides, clauses 7 and 8, that—

"the Minister shall have the control and management, including the con- "struction, purchase, maintenance and repair of Naval Establishments, and of "ships and other vessels of the Naval Service."

Under the provisions of the Naval Service Act, as cited above, the control of, and responsibility for the expenditures of the Department are vested in the Minister of the Department, and my Minister feels it incumbent on him to exercise full control, assuming full responsibility.

I am, sir, your obedient servant,

G. J. DESBARATS, *Deputy Minister.*

The Auditor General, Ottawa, Ontario.

The Department claims that under the Naval Service Act of Canada, 9-10 Edward VII, Chapter 43, the Minister is given control and management of all Naval affairs including the purchase, maintenance and repair of the ordnance, ammunition, arms, armouries, stores, munitions and habiliments of war intended for use of the Naval Service.

MONSIEUR,—Je dois attirer votre attention sur le fait que vous n'avez pas fourni de certificats de la Commission des achats relativement à vos dépenses durant les dernières années.

Vous m'obligeriez en me faisant connaître pour quelles raisons vous avez ainsi acheté sans vous procurez le certificat de la Commission des achats. Si vous avez ainsi agi conformément à une loi, veuillez, s'il vous plaît, me citer cette loi.

Je demeure, monsieur, votre obéissant serviteur,

E. D. SUTHERLAND, *A.G.*

M. G. J. DESBARATS,
Sous-ministre, ministère du Service naval, Ottawa.

MINISTÈRE DU SERVICE NAVAL, OTTAWA, 10 mai 1921.

MONSIEUR,—Au sujet de votre lettre du 4 courant, appelant mon attention sur le défaut de fourniture de certificats de la Commission des achats pour la dépense du ministère de ce chef au cours des dernières années, et me demandant les raisons pour lesquelles ces achats ont eu lieu sans obtenir de certificats de ladite Commission, j'ai l'honneur de vous dire que le chapitre 43, "Loi concernant le Service naval du Canada et citée sous le titre "la Loi du Service naval" décrète aux sections 7 & 8 que

"le ministre a le contrôle et la direction de toutes les affaires navales, y "compris l'achat, l'entretien et les réparations de l'artillerie, munitions, armes, "salles d'armes, matériel, munitions et habillements de guerre destinés à l'usage "du Service naval,"

et que

"le ministre a le contrôle et la direction, y compris la construction, l'achat, "l'entretien et les réparations des établissements de marine, et des navires et "autres vaisseaux du Service naval."

D'après les dispositions de la loi du Service naval, citées ci-dessus, au ministre appartient le contrôle des dépenses du ministère et il en a la responsabilité. Le ministre croit d'autre part qu'il lui incombe d'exercer le plein contrôle et d'assumer toute la responsabilité.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS, *S.-M.*

L'Auditeur général, Ottawa, Ontario.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 4 mai 1921.

CHER MONSIEUR,—J'ai correspondu avec le ministère du Service naval relativement à l'arrêter en conseil C.P. 1077 du 4 avril 1921—définissant les pouvoirs et les devoirs de la Commission des achats créée par l'arrêté en conseil 1561 du 12 juillet 1920.

Le ministère prétend qu'en vertu de la Loi du Service naval du Canada, 9-10 Edouard VII, chapitre 43, le ministre possède le contrôle et la direction de toutes les affaires navales, y compris l'achat, l'entretien et les réparations de l'artillerie, muni-

The Order in Council—P.C. 1077—provides under Section 2 that "where by any Statute it is provided that the Minister or other Officer of any Department shall have the management, direction or control of any purchase of materials, supplies, stores, goods or articles of any kind, such management, direction or control shall, so far as may be, be exercised by or through the Commission or upon its report or advice."

May the Department under this provision in the Order in Council make purchases without reference to the Commission or is there under the clause, *so far as may be,* an obligation on the Department to show that the public interests would suffer by any intervention of the Purchasing Commission.

Yours truly,

E. D. SUTHERLAND, *Auditor General.*

W. STUART EDWARDS, Esq., Assistant Deputy Minister, Justice Department, Ottawa.

DEPARTMENT OF JUSTICE, OTTAWA, June 28, 1921.

SIR,—I am in receipt of your letter of June 24th, asking to be advised whether the Minister of the Naval Service, acting under the authority of Section 7 of the Naval Service Act, may make purchases without reference to the Purchasing Commission in view of the provisions of Section 2 of P.C. 1077. I have to advise you that in my opinion the provisions of the Order in Council in question are inoperative in so far as they conflict with the Statute, and cannot have the effect to render invalid a contract made by the Minister pursuant to the authority vested in him by the statute.

I have the honour to be, sir, your obedient servant,

W. STUART EDWARDS, *Asst. D.M.J.*

The Auditor General, Ottawa.

tions, armes, salles d'armes, matériel, munitions et habillements de guerre destinés à l'usage du Service naval.

L'arrêté en conseil, C.P. 1077 établit en vertu de l'article 2 que "dans le cas où il est décrété par une loi que le ministre ou autre fonctionnaire d'un ministère a la direction, administration ou contrôle de tout achat de matériaux, approvisionnements, matériel, marchandises ou articles de quelque sorte, cette administration, direction ou contrôle doit, autant que faire se peut, être exercé par la Commission, ou sur son rapport ou avis".

D'après cette disposition de l'arrêté en conseil le ministère peut-il faire des achats en passant outre de la Commission, ou le ministère est-il tenu par l'effet des mots *autant que faire se peut* de montrer que l'intérêt public doit souffrir de l'intervention de la Commission des achats.

Bien à vous,

E. D. SUTHERLAND, *A.G.*

M. W. Stuart Edwards,
Sous-ministre adjoint, ministère de la Justice, Ottawa.

Ministère de la Justice, Ottawa, 28 juin 1921.

Monsieur,—Je reçois votre lettre du 24 juin me demandant de vous dire si le ministre du Service naval agissant sous l'autorité de l'article 7 de la Loi du Service naval peut ou non faire des achats sans les soumettre à la Commission des achats en présence des dispositions de l'article 2 de C.P. 1077. A mon avis, les dispositions de l'arrêté en conseil en question ne pouvant avoir d'effets en tant qu'elles viennent en conflit avec la loi et elles ne peuvent invalider un contrat que le ministre a conclu sous l'autorisation d'une loi qui lui en confère le pouvoir.

J'ai l'honneur d'être, monsieur, votre obéissant serviteur,

(Signé) W. STEWART EDWARDS, *S.-M. adj. J.*

L'Auditeur général, Ottawa.
